

We were looking for a young woman
I'm sorry, this is no job for a girl
You can't come in here with that wheelchair

What a shame you're not married
House for rent - no children

We need someone younger

We don't employ unionists

Don't breastfeed here

No blacks

Get out

No!

FAIR GO

The Northern Territory Anti-Discrimination Act is all about creating a fair go for everyone.
