Join Play by the Rules, the Australian Sports Anti-Doping Authority and the National Integrity of Sport Unit for this special forum focusing on issues that impact on the integrity of sport at the sub-elite level - doping, match-fixing and the use of supplements and image enhancing substances. The forum is based on an ethical decision-making framework - providing you with tools for ethical decision making in your sport. All registrants will have the opportunity to join in future webinars and join a like-minded community of people committed to safeguarding the integrity of sport
