

NT ANTI-DISCRIMINATION COMMISSION

NEW SEXUAL HARASSMENT BYSTANDER INTERVENTION WORKSHOP

- Are you not sure how to challenge sexual harassment in the workplace?
- Would you like to practice skills to address inappropriate behaviours at work?
- Do you feel unsafe to challenge the harasser but would you like to learn how to support your colleagues?
- We have a new Sexual Harassment Bystander Intervention training to help you create more inclusive workplaces and stand up for safety and respect at work.

- **Join our first Sexual Harassment Bystander Intervention workshop in Alice Springs. Next session: Wednesday 7 September 2022, 1-4.30pm. Cost: \$400 per person + GST**

Not calling out inappropriate jokes or comments can leave the harassers and other bystanders with the impression that the behaviour is tolerated. Bystanders play an important role in preventing and addressing sexual harassment in workplaces. To register, for more information, or an obligation-free quote, please contact:
